# Me Mission hasn't changed: We want to make disciples by **RELENTLESSLY** loving God, **RECKLESSLY** loving people & **RADICALLY** loving this world.

In 2015 when Restore Church was just an idea, it didn't yet have a name, a mission, or a vision. Restore Church didn't have colors, it wasn't yet a Church for the Rest of Us and had yet to develop the heart to be a church that is #ForJacksonville. But whenever anyone heard that we were starting a new church in Jacksonville the first two questions asked by many were how many people attend your church and where is your church?

Here we are in 2021, on the verge of celebrating our fourth birthday on March 19th, 2021. And we are attempting to answer exactly where our church will be. It's such an abstract idea for most that a church would begin in a living room in 2016 with only 12 adults. And for most it is hard to imagine setting up everything required to have a service in a Conference Center. Most people raise their eyebrows in amazement to know we spent a year having our gatherings in the movie theater and many questions always come when we talk about doing services in an elementary school. And some grow guite confused when they hear that we currently hold services in another church's location. But not anymore. Restore Church, we've found the answer to that question we've found our home.

However, for us it has never been about the location of where we meet. The question that is most important to Restore is the who? Who attends Restore? You do! More so, we are a group of imperfect people who are discovering God together. We embrace the mess. We get our hands dirty. We get gritty. We love God relentlessly and love people recklessly. We are gritty. We don't stop. We kick hell in the teeth. We are #ForJacksonville.

While we have found our permanent location, our home, this location will be a tool in helping others find their way home.

We are looking forward to what God has in store for Restore Church as we participate in our Welcome Home Campaign.

#### Cost of the Facility

## \$130,000

This is mostly paid for by donations from other churches and non-attenders who support our ministry.

#### **Cost of Renovations**

## <sup>\$</sup>500,000 - <sup>\$</sup>550,000

#### Welcome Home Campaign GOAL

## \$300,000

The Welcome Home Campaign giving will support most of the cost of renovations and we will borrow the rest.

## Why?

In order to help more broken people experience true life in Jesus, we need a permanent space to accommodate them. Temporary spaces come and go so we feel it's time to say "Welcome Home" to our very own space. Our mission is to reach others who are far from God and do church in a way that is applicable to them.

#### The Location

**O**8 / Pray & Give

Our heart has always been to be "for Jacksonville." As we've been praying for a location, God continues to direct us toward downtown.

He has led us to the **Cosco Printing Co.** building at 408 Mill Ave. When you get a chance, head that way and pray that God will open those doors to us.

## What will it Cost?

The total cost of renovating Cosco Printing Co. into our own facility will be an expected overall total cost between \$500,000 and **\$550,000.** And we are trusting that God, "who is able to do immeasurably more" will provide all we need.

### What's asked of me?

As a way to continue to grow the kingdom, we are going to ask every member of Restore Church to make a commitment that is above and beyond our normal giving. Our campaign will be for 24 months.

We are excited to see what God will do!
